LINE CARD

Energy efficient LED (Wall lights, flood lights, area lights, indoor linear high bays and wet location fixtures), Fluorescent and HID lighting products. Manufactured in the USA!

Rig-A-Lite  
 by AZZ Lighting Systems

Designed for exceptional performance in some of the most hostile locations in the world, Rig-A-Lite luminaires by AZZ Lighting Systems are the optimum choice for today's oil and gas drilling and production sites. As the market leader in fully field serviceable LED solutions, AZZ represents the ideal lighting partner for today's needs and tomorrow's applications.

Die cast, steel, aluminum & malleable fittings

Elbows, couplings, nipples and stainless steel conduit

Cleaners, Lubricants, Degreasers, Sealants, Thread Lockers, & Adhesives.

LED Undercabinet, Step, Puck, Linear/Ribbon Lighting, Power Supplies, and Accessories

Fasteners, anchors, nuts, bolts, washers, screws, tools, drills, and accessories

Schedule 40 & Schedule 80 PVC Conduit

Linear LED Fixtures, Ceiling Lights, Motion Lights, Panel Lights, Recessed Retro-Fits

Roof & Gutter De-Icing, Pipe Freeze Protection, Electric Mat, Cable, Net Floor Heating

The Cable Snagger, PVC Cement and complete line of Firestop products

EMT, IMC and Galvanized Rigid steel conduit (SE Michigan only)

Copper building wire: THHN, TFFN, XHHW, USE-2/RHH/RHW-2, TW, bare copper, tinned copper, poly tracer wire & transformer riser wire, Romex (NMB)

Incandescent, fluorescent, HID lamps, LED lamps, decorative lamps, fixtures, and accessories

MV Power Cable, Low voltage energy cables, category, fire alarm and security products

Residential & commercial metering mounting equipment & AC disconnects

Complete line of Industrial, Commercial and Residential products (See reverse side for details)

Markel & Raywall Industrial, explosion proof, commercial & residential heat. Fostoria electrical & gas infrared heaters, portable Heat Wave heaters, machine tool & dock lights

A comprehensive product offering for nearly every commercial lighting application including linear fluorescent, compact fluorescent, T5 and T5HO, magnetic HID, electronic HID (eHID), step dimming, 0-10V analog dimming, DALI digital dimming, demand response, lamps and lampholders, pulse LED modules, LED drivers, and LED chain systems

Cable staples and straps

More Than Just Wire! Electrical and electronic wire and cable, fiber optics, data, broadcast, security, and communications products

Eastern Michigan Office:  
 22241 Roethel Drive • Suite B • Novi, Michigan 48375  
 Western Michigan Office:  
 1385 Canal Street • Portage, Michigan 49002

LINE CARD

**ABB** Power and productivity for a better world™ Switchgear, Motor Controls, Circuit Breakers, Drives, PLC Automation.

**Adaptaflex** Flexible Conduit Systems Flexible, liquid resistant, liquid tight metallic conduit and fittings.

**Blackburn** A complete and reliable line of overhead, grounding, mechanical and compression connectors that respond to a broad range of construction needs.

**Carlton** Non-metallic indoor and outdoor boxes, conduit bodies and fittings, enclosures and more.

**Catamount** Cable ties, wire connectors, application tools, wire pulling lubricants and more.

**Color-Keyed** The Color-Keyed® compression system ensures a proper crimp onto the conductor by matching the right connector to the right tool and die, using a color coding system that was developed and introduced to the industry by Thomas & Betts.

**elastimold** The most complete package for managing underground cable connections in the industry and now includes underground switchgear and overhead reclosers.

**EZCODE** Warning signs, labels, informational displays and safety systems

**Hazlux** Lighting fixtures constructed to meet Hazardous Location and Adverse Environment applications.

**HOMAC** A complete line of Underground and Substation connectors and is recognized as an industry leader for its Flood-Seal™ technologies and custom solutions.

**JOSLYN** Surge Protection for full facility installation, equipment-level protection and custom-tailored solutions for OEMs.

**Kindorf** The Kindorf® Channel System is designed so that the maximum number of support and framing applications can be constructed with a minimum amount of labor and materials. The 1 1/2" dimension in the channel, hole spacing and fittings means all parts fit together all the time.

**KOPEX-Ex** Metallic and non-metallic conduit and fittings along with a full range of accessories.

**Ocal**®

PVC-coated conduit and fittings.

Cable protection solutions and services that are tailored to meet requirements in every type of application.

**Pos-E-Kon**™

DIN-standard rectangular pin and sleeve connectors.

**QuickTurn**™

Prefab basket tray, fittings, and accessories.

**Red•Dot**®

Weatherproof and conduit body solutions.

**Russellstoll**®

Plugs, connectors and receptacles provide power where you need it.

**Sta-Kon**®

Wire terminals, non-insulated terminals, splices, wire joints, disconnects, ferrules, heat-shrinkable terminals, splices and disconnects.

**Steel City**®

Commercial fittings, floor boxes, hangers and clamps, metallic boxes.

**Superstrut**®

Full line of fittings, hardware and accessories to complete any metal framing job, it is the only system of its kind to provide multiple finishes for total corrosion protection.

**T&B Fittings**  
**T&B Cable Tray**

Liquidtight fittings, rigid fittings, cord and armored cable fittings, jacketed metal clad and teck cable fittings, cable tray.

**Ty-Duct**®

A total solution for routing and concealing wiring in control panels. They are available in numerous configurations, materials, sizes and colors to accommodate any application. Select from a wide range of accessories and tools to ease installation.

**Ty-Rap**®

Deltac System, Hook and loop fasteners, id ties, mounting ties and accessories, special environment ties, stainless steel ties, special purpose ties, striped and colored ties, nylon ties, tools and accessories.
